Call for Paper

► Aim & Scope

The International Symposium on Innovation in Information Technology Application (ISIITA) 2020, the world's premier networking forum of leading researchers in the highly active fields of information technology application, will be held in Ho Chi Minh city, Vietnam. The ISIITA 2020 will include oral and poster sessions as well as tutorials given by experts in state-of-the-art topics. IT experts, researchers, and practitioners from each field are invited to share ideas and research technologies; moreover, encouraged to cooperate with each other to overcome the confronted technical problems. As a result, this conference will become a place of knowledge where a variety of effects can be created.

► Paper Submissions

The papers presented in ISIITA 2020 will be also included in the JIITA, JIETA. Papers presented at the ISIITA 2020 will be published under the supervision of ISIITA. Papers should be readied 2-4 pages with conference template. Also it should not be published and not be reviewing any other conferences and journals. Selected high quality papers will be recommended for the publications in the competitive International Journals such as SCI(E), SCOPUS, and EI indexed journals. The ISIITA 2020 supports the participants to organize the special sessions. Special session has no limit research area, and the session should be organized with four or more papers. Session organizers will be included automatically as a member of steering committee.
